Book Description

The Instant #1 New York Times and USA Today Bestseller Never...assume you know someone. Harry Blue is the top Sex Crimes investigator in her department. She's a seasoned pro who's seen it all. But even she didn't see this coming: her own brother arrested for the grisly murders of three beautiful young women. Never...accept a reassignment to the middle of nowhere "for your own good." Harry's been sent to a makeshift town in a desolate landscape-a world full of easy money, plenty of illegal ways to spend it, and a ragtag collection of transient characters who thrive on the fringes of society. A place where little grows, but evil flourishes. Never...trust anyone. Looking into a seemingly simple missing persons case, Harry's been assigned to a new "partner." But is he actually meant to be a watchdog? Still reeling from the accusations against her brother, Harry can't even trust her own instincts, which she's never doubted...until now. Never...go anywhere without leaving a trace. Far from the world she knows and desperate to clear her brother's name, Harry has to mine the dark secrets of her strange new home for answers to a deepening mystery-before she vanishes in a place where no one would ever think to look for her. Never Never is an edge-of-your-seat thrill ride with enough intrigue and suspense to keep you guessing until the final page. You'll never be able to put it down.
