## Book Description

A space-age scientist and early twentieth-century English explorer. Two disparate souls separated by thousands of years and hundreds of millions of miles. Impossibly, they meet. Their love could bring about the end of the universe, but even with reality unraveling around them, nothing can pull them apart. Eisner Award-nominated writer/artist Jeff Lemire (SWEET TOOTH) tells an ambitious and mind-expanding love story in TRILLIUM—a thrilling saga of life and death, exploration and empathy that spans the far reaches of space-time and the depths of the human heart. This new hardcover edition features a never-before-seen sketch gallery from Lemire. Collects TRILLIUM #1-8.
