Book Description

Favorite Family Recipes started as a way for four sisters to swap favorite recipes—but they were too delicious to keep to themselves! This tantalizing cookbook features more than 175 recipes that have been created, tested, and shared within the extended family circle. Put a smile on your hungry family's faces with these tasty, easy-to-prepare, home-cooked recipes. With downhome dishes like "Chicken Pot Pie Crumble" and tasty "Easy Cheesy Biscuits," and delicious variations on family favorites like tacos, pizza, and breakfast classics, you'll find food both the grown-ups and the kids will enjoy—and even some the kids can make themselves. When it's time to change things up a bit, choose from exotic-tasting dishes like "Chicken Massaman Curry," "Caribbean Kabobs," or crunchy "Pai Mai" salad, all without having to venture far beyond your favorite grocery store for the ingredients. You may even want to take things outside with sizzling recipes for the grill and Dutch oven. And don't forget dessert. With dozens to choose from, including "Rocky Road Candy" and "Sopapilla Cheesecake," you're sure to find something to satisfy your sweet tooth. As a bonus, the sisters have added their versions of famous dishes from Wingers, Rumbi Island Grill, Café Rio, and a dozen other hotspots. Whether for holidays, special days, or everyday, these tempting recipes will soon become your family's favorite recipes!
