Book Description

Telling the story of two mice, Johnny Town-mouse and Timmy Willie. One is a town-mouse and one is a country-mouse, and when they end up in each other's worlds, they soon discover that they were much happier where they started. Based on an Aesop fable, Beatrix Potter relocates this tale to the Lake District. The town mouse, Johnny, lives under the floorboards of a house in Hawkshead, and the country mouse, Timmy Willie, in a cottage garden.
