Book Description

Kaplan Medical's Anatomy Flashcards are designed to help you master the structures and systems of the human body. Whether you're a student, a health care practitioner, or just interested in learning about human anatomy, you can review on-the-go with 300 detailed, full-color cards. Essential Review 300 laminated flashcards with full-color, anatomically precise illustrations. In-depth anatomical descriptions on the reverse side of each card. Cards are organized by anatomical system with color-coded tabs for easy review. 10 bonus coloring cards from Kaplan's top-selling Anatomy Coloring Book, so you can color, label, and learn each anatomical system for the ultimate in academic retention and recall. Expert Guidance We invented test prep—Kaplan (www.kaptest.com) has been helping students for almost 80 years. Our proven strategies have helped legions of students achieve their dreams.
