## Book Description

Get on the naughty list! Giani "man candy" DeLuca is a single-dad trying his best to fill-in for his air-head ex when it comes to raising their five-year-old son. Every woman in town has him on their Christmas list (even the married ones). He has the body of a Chippendales dancer and the smirk of a playboy, but his heart is pure gold. Kids adore him. Women pant after him. But he only has eyes for one woman. A woman who was broken so badly, she can't believe a man like him could be good. But he is... so good... in the naughtiest way! Single mom Kate Gilletti has enough on her plate. Falling for the stud-muffin every woman in town is hot for-- is not on her Christmas list. But when he kisses her-- she hears the angels sing. The naughty looks he gives her are so hot-- they could melt the polar ice caps. Fresh off a terrible divorce... she has no plans to get involved with another man who looks like sin on a stick. This Christmas fate gives her a shot at true love and a chance to learn some men are totally worth melting for. Authors note: No Cheating, HEA with plenty of fire to melt you on those cold winter nights!
