## Book Description

"We all hold a beast inside. The only difference is what form it takes when freed." Rain Ryland has never belonged anywhere. He's used to people judging him for his rough background, his intimidating size, and now, his orphan status. He's always been on the outside, looking in, and he's fine with that. Until he moves to New Wurzburg and meets Friederike Burkhart. Freddie isn't like normal teen girls, though. And someone wants her dead for it. Freddie warns he'd better stay far away if he wants to stay alive, but Rain's never been good at running from trouble. For the first time, Rain has something worth fighting for, worth living for. Worth dying for.
