Book Description

Keela Daley is the black sheep of her family. She has always come second to her younger cousin Micah. Even in the eyes of her mother, Micah shone bright, and Keela faded to black. Now, in adulthood, Micah is a bride to be, and the spotlight is solely on her. Keela is a low priority...or so she thinks. Alec Slater is a bachelor, never one to bed the same woman, or man, twice. He is a free agent who does what he pleases and answers to no one - that is until a fiery Irish redhead with a temper to match her hair color knocks him on his arse. Literally. She hates to admit it, but Keela needs a favor from the cocky Slater brother - a huge favor. She needs him not only to escort her to Micah's wedding but also to pose as her boyfriend. Alec agrees to help Keela but has certain conditions for her to abide by. He wants her body and plans to have it before anyone can say "I do". What he doesn't plan on is losing his heart as well as the possibility of losing his family when someone from his past threatens his future. Alec owns Keela, and what Alec owns, Alec keeps.
